§418.78

- (i) Standard: Individuals furnishing Medicaid personal care aide-only services under a Medicaid personal care benefit. An individual may furnish personal care services, as defined in §440.167 of this chapter, on behalf of a hospice agency.
- (1) Before the individual may furnish personal care services, the individual must be found competent by the State (if regulated by the State) to furnish those services. The individual only needs to demonstrate competency in the services the individual is required to furnish.
- (2) Services under the Medicaid personal care benefit may be used to the extent that the hospice would routinely use the services of a hospice patient's family in implementing a patient's plan of care.
- (3) The hospice must coordinate its hospice aide and homemaker services with the Medicaid personal care benefit to ensure the patient receives the hospice aide and homemaker services he or she needs.
- (j) Standard: Homemaker qualifications. A qualified homemaker is—
- (1) An individual who meets the standards in §418.202(g) and has successfully completed hospice orientation addressing the needs and concerns of patients and families coping with a terminal illness; or
- (2) A hospice aide as described in \$418.76
- (k) Standard: Homemaker supervision and duties. (1) Homemaker services must be coordinated and supervised by a member of the interdisciplinary group.
- (2) Instructions for homemaker duties must be prepared by a member of the interdisciplinary group.
- (3) Homemakers must report all concerns about the patient or family to the member of the interdisciplinary group who is coordinating homemaker services.

§ 418.78 Conditions of participation— Volunteers.

The hospice must use volunteers to the extent specified in paragraph (e) of this section. These volunteers must be used in defined roles and under the supervision of a designated hospice employee.

- (a) Standard: Training. The hospice must maintain, document, and provide volunteer orientation and training that is consistent with hospice industry standards.
- (b) Standard: Role. Volunteers must be used in day-to-day administrative and/or direct patient care roles.
- (c) Standard: Recruiting and retaining. The hospice must document and demonstrate viable and ongoing efforts to recruit and retain volunteers.
- (d) Standard: Cost saving. The hospice must document the cost savings achieved through the use of volunteers. Documentation must include the following:
- (1) The identification of each position that is occupied by a volunteer.
- (2) The work time spent by volunteers occupying those positions.
- (3) Estimates of the dollar costs that the hospice would have incurred if paid employees occupied the positions identified in paragraph (d)(1) of this section for the amount of time specified in paragraph (d)(2) of this section.
- (e) Standard: Level of activity. Volunteers must provide day-to-day administrative and/or direct patient care services in an amount that, at a minimum, equals 5 percent of the total patient care hours of all paid hospice employees and contract staff. The hospice must maintain records on the use of volunteers for patient care and administrative services, including the type of services and time worked.
